2. General rules and legal bases

Outline

- 3. Data quality principles
- 4. Rights of data subjects

2. General rules and legal bases

Outline

- 3. Data quality principles
- 4. Rights of data subjects
- 5. Practical considerations

Profiling

Any form of automated processing of personal data consisting of the use of personal data to evaluate certain personal aspects relating to a natural person, in particular to analyse or predict aspects concerning that natural person's performance at work, economic situation, health, personal preferences, interests, reliability, behaviour, location or movements

Automated individual decision-making (AID)

The data subject shall have the right not to be subject to a decision <u>based</u> <u>solely on automated processing</u>, **including profiling**, which produces <u>legal effects</u> concerning him or her or <u>similarly significantly affects</u> him or her

5

2. Principle and legal bases

- 1. Profiling
- 2. Automated individual decision-making (AID)

Outline

- 3. Data quality principles
- 4. Rights of data subjects

2.1. Principle - profiling

- Any kind of automated form of processing
 - May include human involvement
- To evaluate personal aspects about a natural person, in particular to analyse or predict aspects
 - Performance at work, economic situation, health, personal preferences, interests, reliability, behaviour, location or movements
 - Includes profiling for simple analysis of the data subject

2.1. Legal bases - profiling

- Lawful conditions for processing
 - Consent of the data subject
 - The performance of a contract
 - Legal obligation
 - Vital interests of the data subject
 - Public interest or exercise of official authority
 - The legitimate interests of the controller or a third party
 - Balance against rights and freedoms of data subjects
- Special categories of data !
 - Article 9 GDPR

The processing must be **necessary**

2.2. Principle - AID

8

- The right not to be subject to a decision ...
 - ... <u>based solely</u> on automated processing, including profiling, ...
- ... producing legal effects ...
- ... or similarly significantly affects

2.2 Legal bases - AID

- The processing can be carried out, if it is
 - A. <u>necessary</u> for the performance of or entering into a <u>contract</u>, or
 - B. authorised by <u>EU or Luxembourg law</u>, which contains suitable safeguards, or
 - C. based on the data subject's explicit consent

2.2 Legal bases - AID

- ! Decisions cannot be based on special categories of data, unless
 - The data subject has given his or her explicit consent, except where EU or Luxembourg law states that the data subject cannot give their consent, or
 - The processing is necessary for reasons of substantial public interest on the basis of Union or Luxembourg law, and
- The controller must implement suitable measures to safeguard the rights and freedoms and legitimate interests of the data subject

2. General rules and legal bases

Outline

- 3. Data quality principles
- 4. Rights of data subjects

3. Data Quality Principles

Lawfulness, fairness and transparency

Accuracy

Purpose limitation

Data minimisation

Integrity and

confidentiality

Storage limitation

Accountability

13

2. General rules and legal bases

Outline

- 3. Data quality principles
- 4. Rights of data subjects
 - 1. General rights
 - 2. Specific rights for AID

4.1. General rights

4

Profiling: Rights can be exercised both against the controller making the profile and the controller using the profile

Right to be informed	 Information about the profiling, objectives and consequences
Right of access	Confirmation as to whether a profile is created
Right to rectification	 Possibility to have data corrected or completed (e.g. provision of a supplementary statement)
Right to erasure	
Right to restriction of processing	
Right to data portability	Does not apply to the data created by the controller (e.g. user profile created by the controller)
Right to object	Legitimate interests, public interest or direct marketing (where profiling is related to direct marketing)

4.2. Specific rights for AID

Increased transparency

15

- Right to be informed / Right of access
 - Inform the data subject of the use of this type of activity
 - Provide meaningful information about the logic involved
 - Explain the significance and envisaged consequences
- If the processing is based on a contract (A) or explicit consent (C), the right to
 - Obtain human intervention on the part of the controller
 - Express his or her point of view
 - <u>Contest</u> the decision

16

2. General rules and legal bases

Outline

- 3. Data quality principles
- 4. Rights of data subjects

- Put in place simple procedures for the data subject to exercise rights
- Implement technical safeguards for the processing
- Data Protection Impact Assessment

Thank you for your attention !
